

VAN BUREN

Will you listen to this guy?

SMOKEY

(Xs C. one step)

Benny, there is something different about 'em.

VAN BUREN

What do you mean?

ROCKY

Well, we don't make them same goofers when we're playing Kansas City.

VAN BUREN

Now, listen, all of you, that's what I'm talking about. Boys, I know you're not yellow. Smokey, you bang into fences until you drive me crazy, and Rocky, you played three games with a broken hand. But your mental state is all off the left field. Now listen to me: Baseball is only one half skill – the other half is something else. Something bigger.

(He sings)

#6 – Heart

VAN BUREN

(Front)

YOU'VE GOTTA HAVE HEART

(R fist. Walk to NAT)

ALL YOU REALLY NEED IS HEART

(Right hand on NAT's shoulder)

WHEN THE ODDS ARE SAYIN'

YOU'LL NEVER WIN

(Go L to JIM)

THAT'S WHEN THE GRIN SHOULD START

(To JIM. Point R hand out)

YOU'VE GOTTA HAVE HOPE

(AL X to NAT, L hand on shoulder)

MUSTN'T SIT AROUND AND MOPE

(Both hands low. Both arms out front)

NOTHING'S HALF AS BAD
