The Actorsingers

The present organization of Actorsingers made its debut as a performing group in January 1955, when its members presented "The Bohemian Girl" by Balfe. Since that time they have performed on an average of twice a year, demonstrating their versatility by running the scale from Gilbert & Sullivan to nostalgic Victor Herbert and Strauss shows, from modern Menotti works to Besoyan's "Little Mary Sunshine", when their performance was accorded a standing ovation. In response to popular request, they have gone on to "big time" musicals with successful presentations of "Brigadoon" "Kiss Me Kate", "South Pacific", "Annie Get Your Gun", "Desert Song" and last Fall's production of "Show-boat" which was accorded another standing ovation.

Since 1955, the Actorsingers have offered to the citizens of Nashua and surrounding communities good entertainment of a musical-dramatic nature. Its ever-swelling membership has an opportunity to express and develop individual talents in stage performance, costume designing and construction, choreography, make-up and many attendant technical skills so vital to a show's success.

The name "Actorsingers" was adopted as most descriptive of the double challenge of bringing to Nashua productions requiring good musicianship and acting.

The group is a non-profit, non-denominational organization incorporated in June, 1961, and is governed by a set of by-laws and its Executive Board which meets once a month. There are no dues required for membership.

The Junior Actorsingers, an off-spring of the parent group, is made up of children of the Actorsingers and patrons. These youngsters, ranging from 7 to 12 years of age, perform in an operetta in the springtime of each year.

If you are interested in becoming an Actorsinger, further information and an application for membership may be obtained from:
