### The Actorsingers Chorus

The Actorsingers Chorus, a mixed chorus of some of our finest solo voices, offers a variety of musical programs of ½ hour to 1 hour in length for various clubs, conventions, service and business organizations. These shows are performed on request and consist of musical numbers to suit everyone's taste - showtunes, spirituals, traditional and "Oldies but goodies." Why not treat yourselves and your group to a musical extravaganza? Donations for these programs go toward reducing the mortgage on our home at 219 Lake Street. For further information on booking a special show for your group please contact: Kerry Schneider, 888-2837 or if you enjoy singing and having a fun time PLEASE join our chorus each Monday at 7:30. For information concerning rehearsals call Ann Mitchell, 465-7969.

**C**ompanies that maintain good relationships with their communities have long recognized a simple fact: providing jobs is not enough.

Since Digital has been part of New Hampshire, we've tried to do more than give people a good working environment. By energetically supporting a broad range of educational, cultural and human services activities, we hope to help make the state's superb quality of life even better.

A company's ability to grow and prosper depends upon the well-being of its employees and their communities.

And for Digital in New Hampshire, that's a statewide commitment.

**Moe Coutu . . . . . ACTORSINGER**  
"The Wiz" proves to be Moe's first directional endeavor for the Actorsingers and one more way in which he contributes his talents to our productions. Moe may recently be remembered as Fagin in our Fall production of "Oliver". He's worked on and off stage in every production since becoming an Actorsinger in 1977. Moe manages to own two businesses, coach/referee hockey (as well as play) with his sons and still finds time to share his love for theater. Moe's enthusiasm, imagination and creative ideas will be apparent to audiences in this vividly visual production of "The Wiz".

**Robert C. Babb . . . . . MUSICAL DIRECTOR**  
"The Wiz" is the third Actorsingers production that Bob has created the music for. "Pajama Game" and "South Pacific" were the others. Bob has been musical director for the Southeastern Philharmonic Orchestra in Weymouth, MA and is presently in his seventh season with them. He's also musical director for the Chelmsford Choral Society for the fifth season. Some of Bob's other musical contributions include being an instructor at both Rivier and Daniel Webster Colleges and recently guest conducting for the junior/senior All City Choral Festival here in Nashua. The musicality of our productions under his direction both on-stage and in "the pit" truly come to life. The excitement of the music will certainly inspire the audience. The energy he utilizes and exudes is remarkable and quite contagious!

**Debra Gunning . . . . . CHOREOGRAPHER**  
Debra's excitement and enthusiasm for "The Wiz" will be quite evident to our audiences when the curtain opens on this energetic, stylized and mobile production. Her extensive background in theater has been put to task in this production. She first choreographed for us in "Hello Dolly". She's actively pursued a career in musical theater and attended American Academy of Dramatic Arts in NYC. Besides creating the movement audiences enjoy on-stage, Debra has also danced on stage herself. Locally she teaches dance classes in area schools. She's owner/director of New England Dance Arts in Nashua. She's left her various dance troops and casts weary yet exhilarated at what they, along with Debra's expertise, have created.

**Karen Lewis . . . . . CO-PRODUCTION COORDINATORS  
Joy Douville**

These two people have at various times participated in the chorus in our productions. It just so happens that both Karen and Joy decided to choose "The Wiz" as the show to put their efforts behind the scenes. This arduous task must be shared because of all it involves. Karen and Joy work well with each other and keep everyone else on their toes, too. Karen's quiet organization and Joy with her humour and business sense pulled all the various committees together that helped create what we present to you this evening — The Actorsingers' production of "The Wiz".

**Kathy Raby . . . . . STAGE MANAGER**

You will notice this name in every program of ours, usually backstage. Kathy's loyalty to us is incredible. On rare occasions she does appear on-stage; most recently as Mrs. Bumble in "Oliver". Kathy's first endeavor as stage manager in "Hello Dolly" was so successful we encouraged her to give it another go. Kathy has been President, received our Penny Award and she keeps coming back for more. She's also been sharing her love of musical theater at her church, First Church of Nashua, where she's done several productions. They are even trying to get her to organize a theater group. We are most fortunate to have a member like Kathy among us.

**Julie Lyman ..... ASSISTANT MUSICAL DIRECTOR  
ACCOMPANIST**

Since Julie's arrival to this area from Florida she's been such a musical asset to our group. She was Assistant Musical Director in "South Pacific" and she's directed the Actorsinger Chorus for 2½ years. Her on-stage appearance with us was as Elsa in "Sound of Music". Julie's love for music has also been shared in area schools where she teaches as well as at church where she's done so very much. Julie's vibrancy and musical intelligence are pleasantly habit forming and entertaining to those who participate as well as to those who view her efforts.

A wide variety  
of MUSIC  
for all occasions!

**Lisa Albright ..... DOROTHY**

The role of Dorothy may be Lisa's first lead in an Actorsinger production, but it is far from her debut. Most recently she played Bet in "Oliver" for us and has appeared in Jr. Actorsingers' productions over several years. She's also been in several KID player productions as well as school and some professional appearances. For someone who plans to make theater a career she's well on her way with so much behind her. Her vivacity, enthusiasm and many talents are sure to help her "ease on down the road" to success.

**David Olmstead ..... SCARECROW**

Most recently seen in our spotlight as Barnaby Tucker in "Hello Dolly", David brings his comedic ability, dance skills and vocal qualities together in perfect harmony as the Scarecrow. His experience with us is extensive and he also spread his talents elsewhere. While cruising aboard the Mt. Washington on Lake Winnepesaukee, you may have heard David singing with Splash, a group he has worked with for more than six years. David's comedic skills not only serve as entertainment to audiences but are an important plus to any cast as well.

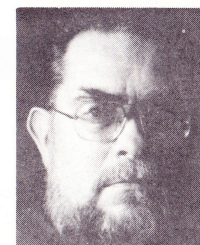

**Ted Rusomanis ..... TINMAN**

Ted's experience on the stage is varied and widespread-from "Iolanthe" to "Joseph and his Amazing Technicolor Dreamcoat", and from the University of Lowell to Manchester, NH. He presently is partner in Musical Messenger, a singing telegram service. His partnership is expanded to a quartet of heartwarming high-stepping characters in "The Wiz". Ted appears to have the right moves, great voice and that extra special something it takes to portray the Tinman. He's sure to catch a glint of sparkle in the audience's eyes with his performance.

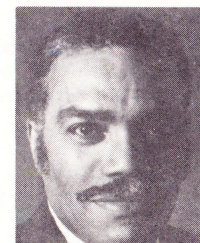

**Jim Freedman ..... LION**

Mr. Bumble ("Oliver"), Nicely-Nicely ("Guys and Dolls"), etc., etc. - the Lion proves to be Jim's most precious contribution to our productions. Jim's ability to portray the Lion comes with a special understanding of felines. The ever quick-witted Jim enjoys playing to his audience through his portrayal of the Lion. Jim's warmth, vocal abilities and energy make this character one you'll want to cuddle up to rather than cower before.

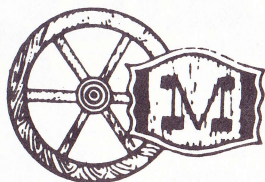

**Porter James ..... THE WIZ**

Porter appears in our spotlight for the first time as The Wiz. His booming voice is put to good service in this "powerful" role. He's gone from singing church solos in the Fitchburg-Worcester area to singing solos in our very Emerald City. When Porter isn't singing and enjoying every minute of it he is a consultant analyzing failures in computer microchips and transistors. As the Wiz gets found out lets hope Porter finds out he's welcome to come back to our stage again and again.
