Director's Notes

Welcome to our show! *The Music Man* has always been special to me. It was the first Actorsingers show my parents took me to see back in 1975. I remember kicking and screaming and not wanting to go, but my mother assured me I'd like it. And you know what? I did - I loved it! The whole nostalgia thing was fun...and at the time, I was in the Nashua High Band, so the connection to a marching band kinda hit home for me. I joined Actorsingers a few years after that and have been a member since. Actorsingers did *The Music Man* again in 1987. I designed the sets that year – the show was directed by Steve Norris, my high school band director and John Liljeberg who also had worked with the band. When Actorsingers announced we would be doing it again this year, I put my name in for consideration as director – and was thrilled I was chosen. I have truly enjoyed working on this old chestnut and have enjoyed the talent and artistry of the wonderful cast and production and technical teams. But mostly I've enjoyed the great memories this show brings back - of folks like my late father, who pushed me and my siblings into music and the late John Liljeberg who suggested I give the Actorsingers a try.....

I hope our show brings a smile to your face as it has for me for all these years!

Production Team Biographies

Kathy Lovering (director) - Kathy has been involved in local community theatre for the past 35 or so years, working with all ages, from toddlers in church pageants to members of the Nashua Senior Center. Kathy is a life member of the Actorsingers where she has tried just about everything. She has directed such shows as *Guys & Dolls*, *Brigadoon*, *The Wiz*, and *The Producers*, has designed sets, stage managed, produced several shows & has performed in many. Years ago, she was instrumental in the formation of the Teen Actorsingers and has directed several shows for them. She has served on the Actorsingers Board of Directors as president, secretary, vice-president and director. Actorsingers has presented Kathy with the Penny Award, the Life Member Award, and the Actorsingers Hall of Fame Award. During the day, she is an insurance agent at Foy Insurance in Nashua and is married to Bob (who she met in an Actorsingers production 28 years ago!) Their daughters Emily, an RN, & Madeline, a chef, have also been involved with the group for many years. Kathy is so very thankful for the help & support received from all of her **behind-the-scenes friends who made this show possible....and to the fun and wonderfully talented cast she has had the pleasure to work with!** Vous êtes le meilleur !!

Jed Holland (music director) - See Martha

(and change pronouns as needed)

Martha Daniels Holland (choreographer) - This year marks 27 years Martha has been actively participating in Actorsingers productions and with the organization. Her first show was *The Music Man* in 1987 and it made such an impact on her that she has been involved in nearly all of the productions, in one way or another, ever since. She met her husband Jed here during *Music Man* when he was playing piano and she was one of the dancers. Now she takes great pleasure in choreographing shows but still enjoys being onstage occasionally. Their five children are all participating in this production which makes this show even more special. She's also excited to have their exchange student Ismael, from Chile, as one of the dancers in this show. By day, she is a full-time Realtor with RE/MAX Properties and loves her work. Martha is extremely grateful to the Actorsingers for giving her this opportunity to work on a special show with her whole family. Much love to Jed for his patience and for 'counting' when she gets mixed up :) Endless love and appreciation to her children who also enjoy working on shows. Finally, she sends her love and thanks to family and friends who always show their support. It's truly appreciated! Enjoy the show! Happy Mother's Day to all the moms, but especially to my mom. LYMTTCT.

Jenn Morton and Michelle Morrison (co-producers) - Michelle & Jenn are grateful for this opportunity to try something new, and for that they thank their children, Grace & Ben. If not for the kids' love of theater, they would not have met this amazing cast and crew. They have made many friends and laughed often with Actorsingers pals. Thanks for the memories! Enjoy the show, and remember, if it's not fun, why do it?
