# Director's Note

*Joseph and the Amazing Technicolor Dreamcoat* has always held a special place in my heart. I found the story and the music extremely captivating and was truly excited to finally get the chance to work on a show I had very much enjoyed as an actor.

This is the first large scale musical I have directed post performing in. I felt excited to bring my excitement to not only the audiences but the performers, and this journey started back in 2020. I hate to think about that time. It was scary and full of uncertainty but in 2020 I had an amazing cast and we were very close to ready to perform before the world shut down. I want to thank my former cast for all the hard work and dedication. For keeping hope that though no one knew what would happen that eventually this show would go up. It's important to remember what this show was in 2020 because without that framework and support this show would not have happened.

Though it was odd starting over, we felt it was the right thing to do after so much time had passed. My life had changed and so had everyone else's, visions for the show had changed and circumstances had changed. People had gone off to college, moved away, had kids, so we hit the restart button.

Joseph 2022 moved forward. New team members, new actors, and some former 2020 actors and team members. What we have all achieved coming out of a global pandemic is art. Not just in the sense of theatre but in the sense of humanity and community. We were able to take a show we thought would never go up, revitalize it and now we are bringing it to you. Personally, I think after the past few years the best thing we can do is celebrate the strides we've all made forward. This show is truly about growing as people; each character has growth throughout the hard times they face. In the end, they are all closer together because of it.

Above all, if there was one person who was truly the glue that kept this show together it would be our producer Evelyn Decker; without her hard work, passion and devotion this show would never be happening. Too often the producers of shows are not recognized. Evelyn has been the producer of Joseph since 2020 and has never once stopped doing that job. She is truly, in my eyes, a superhero of theatre and I could have never done this without her.

I hope as you watch the show you are able to escape the stresses of life outside the theatre and enjoy a fun lighthearted musical that we have wanted to share with you for years now.

Angélica Forcier Rosenthal

Jen spends her weekdays working as a Legal Operations Analyst on the Legal Team at a software company outside of Boston. Jen would like to thank her wonderful fiancé Lindsay and Cat Charlie for their love and support, her Dance Captains Sarah Wenrich and Tom Lott The Dancer for their hard work and dedication, as well as the entire cast and crew! # Production Team Biographies

**Evelynn Decker** (Producer) is an Actorsingers Life Member and current board member. She has volunteered for many productions with various roles including costumes, props, photography and producing. Huge thank-you to all the audience who came out to see our production of *Joseph* after an Actorsingers 2 year hiatus! Special thanks to her reliable friend Cheerios :)

**Dennis Schneider** (Technical Director, Set Design) is proud to have been a part of our Tech Team since 1984 - this is his 64th show with us. He is a seven-time recipient of NH Theatre Awards for lighting and Set Design. Favorite Technical Director and design collaborations include our Mainstage productions of *Pippin*, *Sister Act*, *Les Miserables*, *Jesus Christ Superstar*, *Annie*, and *Ragtime*. Dennis also chairs the Auditorium Commission for the City of Nashua. Dennis blames his involvement in stage tech on his wife, Kerry, and her acting career – working backstage on professional shows since 1972 is a great way to get time together...

**Rosemarie Kelly** (Stage Manager) graduated from the Boston Conservatory with a degree in Classical Voice and has worked on stage and backstage as a performer, lighting designer, and stage manager with many groups including Actorsingers, Windham Actors Guild, and Kids Coop. Rosemarie is excited to be working on *Joseph* with some of her favorite people.

**Craig Brennan** (Lighting Designer) has been involved in theatre since high school and has loved it ever since. He has been doing theatre in this area since 1997 for just about everyone, both community and professional, including Actorsingers, MCTP, Nashua Theatre Guild, and Milford Area Players. He has received the NH Theatre Award for lighting design 3 times (2003, '08, and '13). From Off-Broadway to Boston, Craig has seen it all.

**Michael D. O'Keefe** (Sound Designer) A life member of Actorsingers, Mike has been a part of the technical crew since Nov 2001 for all of the mainstage shows and many of the junior and teen shows. Most often, you will find him behind the sound board. Mike also lends his technical skills to the Hudson Middle School and High School drama clubs.

**Laurel Forcier** (Costume Designer) This is the 8th show that she has costumed for Actorsingers, starting in 2017: *Jesus Christ Superstar*, *Spring Awakening*, *Reefer Madness*, *21 Chump Street*, *Mamma Mia*, *Cannibal*, *Cuckoos' Nest*, & *Joseph*. Nominated for NH Theatre Awards 2017 for *Jesus Christ Superstar*. Other shows costumed for Windham Theatre Guild (*Bye Bye Birdie*), Kids Coop Theatre (*Matilda*, *Bring It On* & *Sound of Music*) & Actors Cooperative Theatre (*Twisted*), both of Derry. The best part of costuming a show is getting to work with all of the wonderfully talented cast members. She thanks her family (Les, Noël, Angèlica & Heather) for being so supportive of her endeavors, much love.

**Les Rosenthal** (Properties Master) never thought it would take 2 1/2 years to do this show, but hey, we're here. Thanks to everybody, it is great to be back & working in theatre again.
