Sorry I'm not able to help this year (ie: wearing a cool headset and ordering teenagers around), but I figured it would be in poor form to give birth in the stage left wing in the middle of "Greased Lightning". But that WOULD have been funny... Love to my theater "babies" (WHEN DID YOU ALL GROW UP???) and WELCOME to all the newcomers!

**NASHUA MANCHESTER LONDONDERRY AMHERST SALEM**

**Brad Fernald** (Director) Brad is thrilled and delighted to be working with such a great cast for *Grease*. He is a seasoned performer on the local, national, and international level singing in Germany and China. He has been a part of the Actorsingers for several years now. He was in their productions of *Beauty and the Beast*, *Swing*, and most recently, *Working*. He has been involved in theater since he was 11 doing school productions and shows in the Nashua area and has been a student of the Carey and Henderson Vocal Studio since then. He is a junior at Plymouth State University studying Communications and Music performance. He is a member of the school's University Chorale, Chamber Singers, and the business director of the school's all-male a capella group, Vocal Order. He would like to thank the Actorsingers organization for the opportunity to direct this show and to all the kids for working so hard to put the show together. And a big thank you to everyone behind the scenes- Kathy, Bob, Bill, Chris, and Evelyn. And finally, a heartfelt thank you goes to Amy and Brittney-Lynne for all their hard work and brilliance that give this show such life.

**Amy St. Louis** (Music Director) Amy is very excited to make her directorial debut with the Teen Actorsingers' production of *Grease!* After participating on stage with Teen Actorsingers in *Copacabana* and *Working*, Amy was thrilled when approached about being the music director for this summer! Amy is entering her junior year at Keene State College studying Music Education with an emphasis on vocal and choral studies. She enjoys spending time with children and hopes she can one day teach music to all different ages. Her main instrument is the voice, but Amy also plays the piano and ukulele. Amy is so thankful to have such a supportive directorial team and crew, especially Kathy Lovering for bringing her into this project, Jed Holland for guiding her and playing piano whenever she needed him to, and Evelyn Decker for taking care of everything.

**Brittney-Lynne Stanley** (Choreographer) Brittney-Lynne is a senior at Dean College in Franklin, MA, where she maintains a double major in Arts and Entertainment Management and Dance. She is a member of the Golden Key Honor Society one of the largest, most renowned, international honor societies, recognizing students in the top 15% of their class. She is also a member of Phi Beta Kappa Academic Honors Society the nation's oldest academic honor society which recognized her for her commitment to academic excellence and being in the top 10% of her class. Brittney-Lynne has been dancing since the age of two, and has performed in many Actorsingers' shows while growing up including her favorite, *Swing*. Recently she has taken her dancing to a professional level as Captain of the New England Patriots Cheerleaders. She is proud to join the Pats again this year for her third and final season on the squad. When Brittney-Lynne isn't cheering on the Pats or attending classes at Dean, she works and travels with Dancer's Inc national dance competitions stage managing and being mentored by renowned Broadway choreographers, as well as teaching master classes at studios throughout New England. Brittney-Lynne would like to thank the cast for their efforts throughout this process, and Actorsingers for giving her this opportunity to work on this amazing production.
