Although we have tried to include the names of everyone who helped along the way, our volunteer crew was large, and our Producer is forgetful. Please know that it takes a huge village to create each Community theater production and we appreciate ALL helping hands. THANK YOU!

Carol Gorelick (Director) is a wife, parent of six children and a teacher in the Nashua Public Schools. At an early age, she was interested in music and theater and throughout the years she has acted in many musicals including Cinderella, Mame, Annie Get your Gun, Pirates of Penzance, Iolanthe, Best Little “House” in Texas, The Mikado, Oliver, and The Sound of Music. In addition to acting and singing, she has worked behind the scenes as the stage manager for the annual musical productions at Birch Hill School, assisting with costumes, sets, makeup, and hair. She has also been a prop master both with Actorsingers, Jr. and at school. This has been a thrilling and energizing experience for her. She loves the directing team, the actors, and the crew. She sends out a special thank you to her husband Don, who is, as always, her biggest fan and supporter; her son Ben, who rekindled her interest in theater; and her parents for always supporting her and coming to all of her productions throughout the years. Enjoy the show!

Jared Holland (Music Director) has been in and out of Actorsingers orchestra pits since 1981. He has directed music for several Actorsingers MainStage as well as Jr Actorsingers productions. Jed first met wife, Martha, while rehearsing an Actorsingers show together, and all 5 of their children have appeared in shows throughout the years. Jed thanks all current and former Actorsingers who have perpetuated and distinguished this organization, and you the audience who support it.

Katie Tocci (Choreographer)- Katie is thrilled to be part of Honk Jr. This is Katie's second year working with Jr. Actorsingers. She is so excited to have the opportunity to work with this amazing cast. Jr. Actorsingers was a big part of Katie's own childhood and taught her so many important lessons not only in theater but in life. She is grateful to be able to pass some of those lessons on to the next generation! To the amazing cast....you inspire me and make me proud every day (especially the Blizzard scene)!!!
