## DIRECTOR'S NOTE

It is 1999 and I am 11 years old watching the Kids Choice Awards awaiting the premiere of a new cartoon, "SpongeBob SquarePants". I can quote much of the early seasons verbatim. I was able to escape into the undersea world. My dad and I went to the musical in 2019 in New York City and I knew that it was a show I wanted to direct someday.

This effort would not have been possible without the team. Rachel & Sara, the cast looks and sounds amazing due to your efforts. I appreciate your work and support and late nights. You two are absolute beasts. Max and Bryn, you both "graduated" from being on stage to working behind the scenes. Both of you really stepped up and took charge. Joshua and Jessi, you both took on new roles and stepped up to the plate and I am so grateful for your talents. Selena and Jasmine, you have been the absolute best prop developers I have had the chance of working with. Allison, you amaze me with your knowledge and insight of what is in my head and making it look good in person, thank you for your hard work. Trystan, literally I am so glad you have continued to support and send your talents. I am excited to continue our "under the sea" theme with you. Sarah, thank you for organizing and putting everything together. You are the glue!

Then there is the cast, far too many to note, I am always amazed by your talent and hard work. Many I had the privilege of working with again after FireBringer, & many I worked with for the first time. You all made this so fun. To my mom, dad, James, Kristen, Alexa and Brian, you all continue to support me in my art, and I am so appreciative. I love you. To my friends, thank you for coming out as well; I am so grateful for you all. Finally to Peter, thank you for your support always and forever, love you <3.

I dedicate this to all the kids in my life (in birth order): Desmond, Avery, Henry, Lochlan, Logan, and Tyler. The world is full of wonder and beauty, make sure you find it. On behalf of myself, along with the entire production team, cast and crew, sit back, relax and enjoy *The SpongeBob Musical*.

Actorsingers awards a scholarship to high school seniors to honor the lives of members who passed away while still active and/or that made a significant impact in the organization. The Scholarship Committee looks for students who volunteer in the community, strive for excellence, and have a history with Actorsingers productions. Although special consideration is given for students pursuing theater arts, this scholarship is not exclusive to theater majors. (The first recipient was a nursing major.) Depending on applications, the scholarship may not have any honorees and/or recipients some years, hence the skipped years in the below listing. Applications are due May 1st each year.
